### THOUGHT and COMMENT

#### BRIDGES

If a poll were to be taken today of the motorists who went up country over the week end and were forced to use the ferries a unanimous vote for bridges to be constructed immediately would probably be the result.

Many motorists waited in lines for hours Monday night and according to the officials of one ferry company they were still bringing tourists across the bay yesterday morning who had expected to return last night.

Without question the traffic problem around the bay region is beginning to be more than serious, and bridges seem to be the only answer. Today is none too soon to start on a solution for the problem. Ferries will never be able to answer the traffic question of today.

Officials of all the ferries that serve the bay region are to be commended on the manner in which they handled the traffic over the holidays.

The normal traffic may not warrant the immediate construction of bridges in some cases but the bridges will be needed before the plans can be drawn and the structure completed. In the majority of cases many hours of waiting would be saved if bridges could be used instead of the old ferries.

As in the case of substituting the safer and more modern bus for the street car, a great deal of equipment would have to be scrapped if bridges were constructed. Ferries cost a great deal of money and represent a big investment—but progress must be served.

It would be interesting to see the figures on the number of hours that were lost by people that had to wait for ferries and also the number of motorists who staid at home over the week end rather than face the traffic jams.

We have made marvelous strides through the automobile, but unless we find ways and means to use the automobile without having to stand in line for hours the popularity of the week-end automobile tour is going to wane.

All of our highways are not going to avail a great deal if we are going to be held up by gaps here and there that occasion long waits. There is an old one that a chain is only as strong as its weakest link, and the problem of crossing bodies of water seems to be the weakest one in our highway system.

More bridges—not tomorrow or the next day but today—seems to be the answer that the motorist of the bay region is waiting for today.

### Castro Inquest Held by Coroner

Death caused by a hemorrhage in the left lung and pleural cavity and fractured ribs, due to the accidental overturning of an automobile was the verdict returned by the coroner's jury last night at the death of John Castro of Pinole. No responsibility was attached.

Castro was killed on June 19 when the car in which he was riding overturned near his ranch at Pinole, pinning him in a deep ditch.

Coroner Charles F. Donnelly conducted the inquest.

**FIRE LOSS \$30,000**  
There were 20 alarms responded to by the Richmond Fire Department during the month of June, according to the report of Fire Chief W. P. Cooper, presented to the city council last night. Loss to buildings amounted to \$30.

# MRS. CHANDLER ELECTED MAYOR BAND STAND CONTRACT IS AWARDED

## W. SNEELGROVE WINS CONTRACT FOR BAND STAND

Construction of Band Stand in Memorial Park is to Start Immediately

Wallace Snelgrove was last night awarded the contract by the city council for the construction of the band stand and rest room to be erected in Memorial Park.

Following the recommendation of the chairman of the park committee, Mrs. J. H. Chandler, that Snelgrove's bid, the lowest presented, be accepted, the city council awarded the contract and authorized return of the check deposited by Alfred Peterson with his bid. The cost of the new structure will be \$9,336.

The city has on hand available for this fund \$3,500 from last year's budget and the remainder will be provided for in the next budget.

Construction is to start immediately. The bid of Wallace Snelgrove for the construction of the band stand amounted to \$6,938 with an addition of \$2,398 for a specification roof, as an alternative. The bid for the ladies rest room amounted to \$2,399, making a total cost of the improvements \$9,336.

Alfred Peterson and company of Oakland presented the second bid in which they agreed to build the band stand at a cost of \$7,000 with an addition of \$2,336 for the specification roof and the rest room for \$2,866. The total cost of the improvements under this bid would amount to \$9,336.

The revised plan as prepared by Architect Ernest Flores call for a stand considerably lower in height than the first plans, but the accommodations would remain the same. To the rear of the band platform, which will accommodate seventy-five musicians, are located the dressing rooms and music store rooms. A men's comfort station is located in the basement.

The ladies rest room is located in a building apart from the band stand and will be located on the Twelfth and Bluff side of the park.

The stand will face Memorial hall at the opposite end of the park and will be built of frame and stucco. It is planned to cover the stand with a close clinging vine, which is expected to soften the lines of the building.

Among the alterations made in the original plans, which were rejected by the council, because of the costs involved, include lowering of the height by ten feet and changing the appearance of the front.

The alterations have changed the appearance of the front by incorporating an arch to take the place of the former ornamental wall above the band shell.

Used Car Clause In Ordinance is To Be Repealed

The clause in the automobile license ordinance referring to dealers of used parts was discussed by the city council last night as scheduled. Because the ordinance did not receive the support of the automobile dealers of the city who were instrumental in its forming, the council decided to abandon the proposed ordinance. The matter was referred to City Attorney T. M. Carlson to redraft an ordinance repealing clause.

According to the terms of the ordinance, used parts dealers would be forced to pay a license fee of \$400 annually. It was claimed by some that this would work a hardship on them forcing them to abandon their business.

**HARBOR REPORT**  
A total of \$2,530.68 was collected at the Municipal Wharf No. 1 during the month of June, according to the report of Harbor Master Jackson H. Misner, presented to the city council last night. Total tonnage amounted to 11,565.10 tons.

**LAKES BUY HOME**  
Mr. and Mrs. R. V. Lake have purchased a five-room house at 121 Tunnel avenue from the former owner, Thomas Gainford of San Francisco. The deal was handled by the Sydney S. Clark realty service.

## Presenting Her Honor The Mayor, Mrs. Chandler

Mrs. Mattie Chandler, who was last night named by the city council to serve as mayor for the next year.

## CITY OFFICERS ARE RE-NAMED PLUMBING LAW IS PROTESTED

All of the heads of city departments were last night appointed by the city council to serve for the two-year term dated July 1.

City attorney T. M. Carlson, who was appointed by the council to fill the vacancy created by the death of City Attorney D. J. Hall, was last night appointed for the term. City Clerk A. C. Paris was reappointed to hold office for the coming two years.

Upon the recommendation of City Manager J. A. McVittie all of the heads in the departments were reappointed.

The following are the city officers appointed. Auditor, Mrs. Marie A. Whiteside; City Treasurer, I. R. Vaughn, City Assessor and Tax Collector, J. O. Ford; Police Judge, C. A. Odell; Chief of Police, Daniel Cox; Chief of Fire Department, W. P. Cooper; Superintendent of Parks and Playgrounds, R. Tcherassky; Building and Electrical Inspector, A. J. Hurley; Plumbing Inspector C. S. Ford; Commissioner of Health and City Physician, Dr. C. R. Blake; City Engineer and Superintendent of Street, E. A. Hoffman and Harbor Master, Jackson H. Misner.

The above officers have been in office with the exception of City Building Inspector A. J. Hurley who was appointed Acting Building Inspector to fill the vacancy created by the death of E. E. Grow, last month.

Confidence in the heads of the departments was shown in the reappointment of all the officers. With the exception of the City Attorney and the city clerk, who are appointed directly by the council, the heads of the departments under the city manager form of government are appointed upon the recommendation of the city manager by the council.

Overruling all protests made, the council last night, passed the second reading of an ordinance requiring all master plumbers to pay a license fee of \$100 per annum. Investigation of the ordinance was made and it was upon the recommendation of this meeting that the council passed the ordinance which was requested by local plumbers.

C. W. Bray and Francis Roberts scored the proposed ordinance declaring that plumbers residing outside the city should not be prevented from working in the city. It was declared that the ordinance was intended to prevent outsiders from doing inferior work in Richmond for which they are not later responsible, thereby working a hardship on property owners and builders.

"Competition has everything to do with the righting of prices," declared Bray in speaking against the ordinance. "We need to keep in mind when we are considering the growth and progress of Richmond that we must not discourage outsiders from locating in our city. If our chamber of commerce and

**TO REMOVE BUILDING**  
Upon the recommendation of Commissioner of Health Dr. C. R. Blake the city council last night authorized the removal of a building on Thirty-third street to the rear of the Pullman shops. The building which is owned by E. J. Corbin of Vallejo was declared to be in an unsanitary condition, a fire hazard and to have depreciated 90 per cent.

**POPES BUY RANCH**  
Mr. and Mrs. James Pope, of Hotel Colonial have taken over a 240 acre dairy ranch seven miles west of Modesto where they will make their future home.

## Relics Of A Former Day Are Removed

Landmarks of a Former Day Removed As Old Timers Mourn Passing

By The CUB.  
They are gone, gone like the old four per cent, long dresses, baggy pants and one lugger automobiles.

What is gone, you may ask? Ask ahead, we'll tell you. The old hitching posts that have "graced" the front of Ben Malik's store at the corner of Eighth street and Macdonald avenue, "aint no mo'." They are gone.

Yesterday a small crowd of "old timers" gathered before the building and watched the removal of the two upright iron posts, with lion hands grasping a ring, where more than one Dobbin was hitched, while his master gave young Richmond the "once over." The iron shafts have been severed with a cruel hack-saw and the posts fell with a crash.

These were the last hitching posts on Macdonald avenue. Where once the old horse stomped and pulled at his tether, a Ford now stands its motor motionless nose pointed forward.

Richmond has officially noted the passing of the horse.

The two posts will be decorated and sent to the Merchants Association. One will be kept while the other will be sent to the Chamber of Commerce.

Years from now the pieces will be sought as real, genuine antiques.

"La Chaval est mort! Viva La automobile!"

## El Cerrito Calls For Bids on San Pablo Ave Paving

The widening of San Pablo avenue will soon be in progress at the meeting of the El Cerrito trustees Monday night instructed the clerk to call for bids on the work.

A petition received by the trustees for a light on Donald and Liberty streets, was laid over until the new budget is made on a motion of Light Commissioner Fred Lutz.

The recommendation of Street Commissioner George Conlon that the improvement on Behrens street be accepted was adopted by the board.

Trustee Frank MacDermott, stated that he understood that the money on the building permit for the Methodist church in El Cerrito had been refunded and if so the money should be refunded on the new Catholic church.

The question was laid over till Forrest Wright, who was formerly building inspector, returns from his vacation.

Trustee Phil A. Lee reported to the board that the crossing at Manila and San Pablo avenues was in a deplorable condition and should be repaired.

The matter was referred to City Engineer Ross L. Calfee for one week.

The assessment of the sewer work in the Richmond Junctions tract presented by the engineer was approved by the trustees.

**SOFT DRINK PERMITS**  
The city council last night granted G. Sulzilio permission to conduct a soft drink establishment in conjunction with his regular business at 121 Nineteenth street.

Permission was also granted F. W. Carlson, to transfer his license from 264 Ninth street to 1136 Macdonald avenue.

## ASSESSMENTS SHOW GROWTH OF RICHMOND

Richmond Assessment represents More Than One Fourth Of County Assessment

With an increase of \$296,890, Richmond shows an assessed valuation for the year 1926-1927 of \$23,849,980, or more than that one-quarter of the total assessed valuation of the entire county, according to the assessment rolls presented to the board of supervisors sitting as a board of equalization in Martinez yesterday. Contra Costa county with a total assessed valuation of \$102,592,582 shows an increase of \$2,957,000 according to the figures of County Assessor G. O. Meese.

In city valuation Richmond shows an increase of \$277,190, according to the assessment rolls of City Assessor J. O. Ford, who presented his books to the board of equalization, meeting in the city hall yesterday.

The assessment as prepared by (Continued on Page 6).

## Black Named Head of City Tax Board

Councilman George F. Black, was chosen chairman of the board of equalization at the first meeting held yesterday morning in the council chambers of the city hall. The board will meet again tonight and from time to time for the purpose of equalizing assessments.

Protests on assessments for the forthcoming year must be presented to the board in writing by July 12. Hearing will begin July 14, and each protest will be heard in the order of its filing.

The board meets at the beginning of each fiscal year with the city manager and the tax collector and goes over the assessment records.

## Report On Natatorium Shows That 37,305 Have Visited It Since Opening Late In March

Showing that a total of 37,305 persons availed themselves of the municipal natatorium since the opening date on March 20, the report of City Manager James A. McVittie for the fiscal year ending June 30 was presented to the city council last night.

That the revenue obtained will more than compensate the city for the improvement besides the benefit of direct benefit to the residents is shown by the report with a total of \$13,744.25, according to the monthly report also presented to the council last night.

The report for the fiscal year, to June 30 is as follows:

## Appreciation is Expressed by New Mayor

TO THE CITIZENS OF RICHMOND:

For the great honor conferred upon me by the members of the city council last night, I am greatly pleased. I shall endeavor to the best of my ability to serve you as mayor during the next term. This will be better accomplished through your support.

I want you to feel that if at any time you have a protest to make that you will be more than welcome at the council chambers.

Richmond is progressing each year and I hope that at the expiration of my term of office I shall be able to look back upon an accomplished program as that completed by my predecessors. All the department heads have my confidence in their ability and I feel that we shall work in harmony.

Retiring Mayor W. W. Scott presented the new mayor with the gavel and said: "I have enjoyed the past year immensely. I have had a lot of pleasure in accepting the seat. I want to thank the council and the citizens of Richmond for their support."

"I know that replacing Mrs. Chandler as mayor you have one who goes after the work and is willing to work."

In addressing Mrs. Chandler he said: "It gives me great pleasure to turn over the gavel to you. I know you'll use it sparingly and will have the support and the interest of the entire council."

"I'm sure I feel highly honored," said Mayor Chandler in assuming her office, "and in accepting, I feel the great responsibility. I shall at all times to the best of my ability discharge the duties of my office."

"I appreciated the large majority given me by the citizens of Richmond in the election to the council and I thank you one and all for the honor you have conferred upon me tonight."

The first official act of Mayor Chandler was to appoint former Mayor W. W. Scott, chairman of the finance committee to fill the vacancy created by her appointment as Mayor.

The meeting of the council last night was presided over by the new mayor. Following the session members of the council, city officers and citizens present at the meeting crowded around Mayor Chandler, congratulated her and promised their support.

S. S. Kresge of Detroit, 5c and 10c store magnate, contributed a total of \$7,500 through the Methodist Episcopal church of that city.

## MRS. CHANDLER UNANIMOUSLY ELECTED MAYOR

Mrs. Chandler Takes Over Gavel As First Woman Mayor of State

Richmond for the next year will have as Mayor Mrs. Mattie Chandler, the first woman mayor in the history of California. The city council last night before appointing officers for the fiscal year elected Mrs. Chandler to succeed Mayor W. W. Scott.

The nomination was made by Councilman E. J. Garrard.

In placing the name of Mrs. Chandler before the council, Council E. J. Garrard spoke of her past services as a member of the council and her ability. Councilman Mrs. Chandler declined in favor of Councilman Mrs. Marie Ogborn who declined the nomination. As no other nominations were placed in order, the council unanimously chose Mrs. Chandler who immediately assumed her office.

"I am pleased to be elected mayor of this city," said Mrs. Chandler. "I have had a lot of pleasure in accepting the seat. I want to thank the council and the citizens of Richmond for their support."

"I know that replacing Mrs. Chandler as mayor you have one who goes after the work and is willing to work."

In addressing Mrs. Chandler he said: "It gives me great pleasure to turn over the gavel to you. I know you'll use it sparingly and will have the support and the interest of the entire council."

"I'm sure I feel highly honored," said Mayor Chandler in assuming her office, "and in accepting, I feel the great responsibility. I shall at all times to the best of my ability discharge the duties of my office."

"I appreciated the large majority given me by the citizens of Richmond in the election to the council and I thank you one and all for the honor you have conferred upon me tonight."

The first official act of Mayor Chandler was to appoint former Mayor W. W. Scott, chairman of the finance committee to fill the vacancy created by her appointment as Mayor.

The meeting of the council last night was presided over by the new mayor. Following the session members of the council, city officers and citizens present at the meeting crowded around Mayor Chandler, congratulated her and promised their support.

S. S. Kresge of Detroit, 5c and 10c store magnate, contributed a total of \$7,500 through the Methodist Episcopal church of that city.

## Traffic Officers Arrest Twelve

According to the records in Justice of the Peace John Roth's court the state and local officers had a busy time during the holidays. Cited for violations of the traffic laws, twelve motorists will appear before the Justice this morning to make their plea.

Those summoned by State Traffic Officer George Leber, are: Howard Christensen, Oakland, speeding; H. S. Chaud, Berkeley, speeding; O. P. Matthews, Berkeley, speeding; O. V. Tont, Crockett, passing on wrong side of machine; J. Cressenti, Berkeley, speeding; Grant Merrill, Red Bluff, speeding; S. Cressenti, San Francisco, speeding; Joe Berger, Crockett, reckless driving; H. G. Bishop, speeding; Lem Solochi, San Francisco, speeding and W. K. Curtis, Berkeley, speeding.

**TO INSTALL HYDRANT**  
Residents in the vicinity of Thirtieth street and Herman avenue last night petitioned the city council to install a fire hydrant at the street intersection.

Upon the recommendation of Councilman E. J. Garrard, chairman of the fire and water committee, the council decided to install the hydrant at Fourteenth street and Herman avenue. The reason given for the change from the location in the petition was that it would be of greater benefit to all concerned as there is already a street light at this intersection and the connection with the water main could be more easily made.

## Doctors Do This

Doctors are prescribing a new discovery for constipation, impure blood and bowel indigestion. To millions they are bringing with it quick and remarkable results.

It is a bland secretion, derived from beef livers. It stimulates the flow of bile—up to quart a day. Modern research proves that cathartics never do that.

That flow of bile floods the bowels and keeps them open. The results come over night.

It combats intestinal germs which feed the poisons to the blood. For bile is an antiseptic.

Countless people are getting in this way quick and amazing help in many ill conditions. Your doctor, if you consult him, will probably prescribe it to you. This new discovery is one of the marvels of modern medicine.

Or you can get this liver gland secretion in Dioxol tablets. Each tablet represents ten drops.

"Clip this advertisement. Take it to our Special Agent, La Moine Drug Co., and he will give you a liberal sample of Dioxol free."

**Plumbing Law****Is Protested**

others would watch more carefully and not try to shackle outside men I am sure we would progress further," he continued.

In speaking of the work done by outsiders and the cost, Roberts declared, "If a man from San Francisco or Oakland comes to me and I can get him to do my work for \$100 or \$50 less than I could a local man, I don't think that the council or any other body has the right to say that he can't come in as long as he does right in accordance with the laws of the state."

In referring to the ordinance and the reason it was requested, Councilman W. W. Scott declared that the plumbers feel that it would be cheaper for them to pay a license of \$100 annually to keep out a class of inferior workers.

Under the former ordinance any plumber passing an examination could enter the city and work here providing he was licensed by the council and paid a fee of \$2.50. Many property owners have complained that inferior work was done which was not revealed until a later date and for which they had no redress. The new clause in the ordinance is believed to be able to safeguard the builders against inferior work.

**FERRIES BREAK ALL RECORDS**

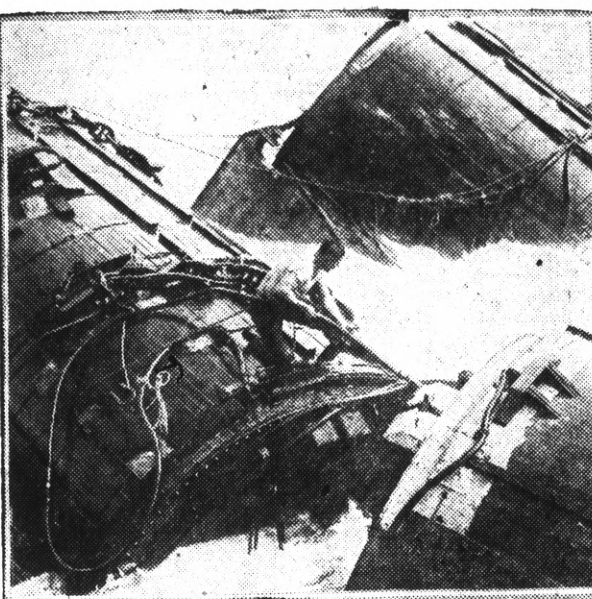

Shattering all previous records for trans-bay transportation nearly 70,000 automobiles were carried by ferries over the week-end, according to figures compiled by the various ferry companies providing trans-bay motor vehicle service. Accurate figures of the number of passengers transported is not available but it is estimated that at least 200,000 persons were carried by the ferries over the holiday.

At the Richmond-San Rafael ferry 10,400 automobiles and 30,099 passengers were transported from 6 a. m. Saturday until 8 a. m. yesterday. The last of the waiting automobiles were not transported to this side of the ferry until late yesterday morning.

Despite the opening of the Anacapa bridge over which 6,500 automobiles passed, the Rodeo-Vallejo ferry established a new record transporting 6,500 cars.

Automobiles carried over the Martinez-Benicia ferry exceeded by 250 the number carried on the heaviest travel day previous.

The Southern Pacific company yesterday stated that it had transported 35,406 vehicles across the bay, exceeding by 200 cars the Memorial Day record.

**Humble Hero Performing Hazardous Task, "All in Day's Work," During Raising of Submarine S-51**

Above is shown one lone seaman named Badders, astride one of the pontoons far out in the rough sea off Block Island, striving to open the flood valves so it could be sunk again. The delicate task has to be done in less than a minute. Months after the coast liner City of Rome, damaged and sunk the U. S. submarine S-51, it was brought to the surface by means of pontoons but sank back four hours later 130 feet to its ocean bottom grave. The bulk of the undersea craft may contain the bodies of 24 members of the S-51's crew.

**INVESTIGATION OF EVANGELIST CASE STARTED**

(By Universal Service)

LOS ANGELES, July 6.—The machinery of the law, both federal and county, moved swiftly on Sunday in a full and comprehensive investigation of the Alvin Karpis case today. Subpoenas were issued for Mrs. McPherson, her mother Mrs. Minnie Kennedy, the evangelist's secretary Mrs. Helen Schaffer and other interested witnesses instructing them to appear before the county grand jury Thursday morning.

Other witnesses to be subpoenaed included Robert Sample and Ralph McPherson, children of the evangelist. Mrs. Blanche O. Rice, Angelina Temple, a woman who is said to have received the second \$500,000 ransom money, Mrs. Sylvia Oberman who saw Mrs. McPherson on the day of her disappearance May 15, and Frank Landon, owner of the Ocean View hotel at Ocean Park where the evangelist registered and donned her bathing suit.

In addition to these witnesses, Chief of Detectives Herman Cline and Deputy District Attorney Joey Ryan will also appear before the grand jury and relate the details of their trip to Douglas, Arizona, where they secured a lengthy statement from Mrs. McPherson after she reappeared at Anna Prieta, June 23.

Telegraph requests have been forwarded to President Ernesto Borbon and Chief of Police Silverio Villa of Anna Prieta to appear before the grand jury.

City Building Inspector and Mrs. A. J. Hurley have returned from a trip to Sacramento and have as their guest for the week, Mrs. Hurley's sister Mrs. Peter Bloom of Sacramento.

A State Commission regulates rates and service of Public Utilities in California.

Hydro electric companies come under the jurisdiction of this Commission.

Rates are fixed and service details established after open public hearings and after the Commission has taken the advice of its own experts—engineers, lawyers, statisticians and economists.

Rates in California are low. Service is a model for the rest of the United States.

Since 1913 the average per capita cost of living increased 65%, while the average cost of electricity decreased 8%.

Dorothy Edna White, born at the Richmond Maternity hospital July 1, to Mr. and Mrs. Harrison I. White, 640 Ninth street.

A daughter born July 1, to Mr. and Mrs. Heber Charles Bowman, 1319 Fifteenth street.

**Solly Cohn Final Rites Held Tuesday**

Funeral services for the late Solly Cohn, former Richmond business man were held from the Bert Curry funeral parlors yesterday afternoon at 2 o'clock under the auspices of the Knights of Pythias lodge. Cremation followed at the Berkeley crematory.

Cohn passed away at the home of his daughter, Mrs. J. A. Guanzoli 565 Sixth street. Death was due to a complication of asthma, heart trouble and pneumonia. His relatives were at his bedside as he passed away.

The deceased had resided in this city for 10 years and was in business on Fourth street. He was 67 years of age and a native of Germany. He was the father of Mrs. Guanzoli, the grandfather of Barbara Lee, both of Richmond; and the brother of Mrs. E. Sussman of Los Angeles; Mrs. Augusta Boas, of San Francisco; Mrs. Charles Tidball, of San Francisco. He was affiliated with the Oakland Knights of Pythias and D. O. K. K. lodges.

Ira Bonham, of Fourth and Bush streets, San Pablo, who has returned to his home from the Cottage hospital where he underwent a minor operation. He is reported to be doing nicely.

**Two Local Youths Break Their Arms**

Broken limbs were suffered by two Richmond boys during the Fourth of July celebration on Sunday.

Milton Crabb, 9, son of Mr. and Mrs. Walter Crabb broke his right leg when he fell from a fence where he was playing.

Bladwin Peterson, 8, son of Mr. and Mrs. Gunder Peterson, 132 Eighth street sustained a broken arm as the result of sliding down the banister at the home of relatives in San Francisco.

The Peterson boy was treated at the Abbott Emergency hospital after first aid treatment was rendered in San Francisco. Both boys were treated by Dr. St. John Hely.

## FINE CLOTHES BRING TROUBLE TO THIS BARBER

Imagine a situation like this. Adolphe Menjou in his latest picture for Paramount, "A Social Celebrity," which is due at the California Theatre today, enacts the part of a small town barber who arrives in New York, and invests his whole fortune in an outfit of smart clothes.

Episode two shows our hero at the apartment of a society youth, who is very much impressed when he sees the dapperly clad gentleman who has arrived to shave him. Thinking to amuse himself, he persuades Menjou to pose as a foreign count "just for tonight." So much against his better judgment, he is presented at a society function as then proceeds to fall in love with the most beautiful girl in the room. And she doesn't try to discourage his attentions. With the passing of time, he gets deeper and deeper into the social swamp.

What can possibly happen to save him? What would you do if you were in his boots? Interesting and amusing, isn't it? That's the basic theme around which "A Social Celebrity" is built. Adolphe Menjou has the finest role of his career, and is surrounded with an excellent cast headed by Chester Conklin and Louise Brooks. Other features on the same program include "His Private Life," a Lupino Lane comedy; "International News," Piano-Organ recital, with Larry Canelo, at the Piano, and Helene Goldsworthy, at the organ, featuring "The Prisoner's Song."

## Asears Funeral Rites are Held

Final rites for Mrs. Margaret Asears, who passed away at her home in San Pablo on Saturday morning at the age of 68 years, were held at the St. Pauls Catholic church in San Pablo yesterday morning. Interment followed at the St. Joseph's cemetery. Father Harold Collins officiated.

Mrs. Asears was the wife of the late Patrick Asears, the mother of Mrs. George Connell, of Oakland; Mrs. Laura Lynch, of Oakland; Mrs. Isabella Storch, of San Francisco; Mrs. Margaret Perez, of San Pablo; the grandmother of Marvin Gray, of San Pablo; and the sister of Benjamin Montoya, of San Francisco.

### CARS COLLIDE

Although both machines were badly damaged no one was injured last night when cars driven by J. W. Martin, 1924 Garvin avenue and R. J. Beckman, 415 Barrett avenue collided on Barrett avenue, between Fourth and Fifth streets, according to a report made to the police department.

## A Social Celebrity

Adolphe Menjou and Louise Brooks in a scene from "A Social Celebrity" which starts a two day engagement on the California screen today.

## "Early to Wed" Screen Feature at the Richmond

According to advance reports Matt Moore is better than ever before in "Early to Wed." Fox Films feature coming to the Richmond Theatre today and tomorrow.

Once again he portrays the young husband who is working his way to the top as rapidly as he can, only this time, he is of a more bashful enterprising type. He and his little wife Daphne have been content to live in a small boarding house until Tommy gets his start. Then Art Nevera, a seemingly successful friend of the young couple convinces them that to get ahead they must live in an exclusive neighborhood and meet moneyed people in order to get ahead. Not only that but he makes Tommy promise to demand a raise from his boss to live properly.

The result is that Tommy loses his job, and since they have already ordered the furniture from "The Bountiful Friend," and leased the house, they move in and start trying to catch up with their debts. This leads to complications, climaxed when the man whom Tommy wishes to impress calls right after the furniture has been forcibly removed from every room but one.

Kathryn Perry is co-starred with Matt Moore in the production and makes a most appealing little wife. Others in the cast are Zasu Pitts, Rodney Hildebrand, Ross McCutcheon, Arthur Houseman, Belva McRay, Albert Gran, Julia Swayne Gordon and Harry Bailey. Frank Borzage directed the production. Other features include "Fool's Luck," a Lupino Lane comedy; and "Prizma," the screen magazine.

### BUILDING PERMITS

Minor building permits issued yesterday by City Building Inspector A. J. Hurley amounted to \$590.

H. M. Calvert secured a permit to build a one-car garage on the west side of Ventura avenue between Roosevelt and Seira avenues to cost \$200.

A permit was issued to L. Beauchier to build a garage costing \$100, on Eleventh street between Ohio and Florida avenues.

Thomas Dunleavy was issued a permit to build a garage costing \$150 on the north side of Virginia avenue between Fifteenth and Sixteenth streets.

D. Dodge will have charge of alterations to a porch on a cottage on the north side of Solto avenue between Twenty-eighth and Twenty-ninth streets, costing \$100.

J. Pimm secured a permit to renew foundations of a cottage on the west side of Sixteenth street between Chancellor and Bissell avenues, to cost \$40.

### PAY RATE EXPERT

The city council last night approved of the \$600 expenses for H. L. Butler who represented the city at the state railroad commission for the reduction of fares asked by the city against the Key System Transit company.

## LIONS HOLD FIRST MEET IN NEW HOTEL

Members and guests from the Lion clubs of Oakland, Berkeley, Concord and Walnut Creek were guests at the Richmond Den of Lions at the celebration of the first luncheon served in the new Hotel Carquinez yesterday. Including members and guests there were 100 present at the luncheon served in the main dining room of the new hostelry.

Bert X. Tucker, president of the Richmond den, was in charge of the meeting as club president for the first time. Secretary A. C. Paris, was presented with a diamond stick pin in recognition of his services to the organization. The pin was presented by Councilman E. J. Garrard on behalf of the members.

A musical program was featured by Mrs. Migna Carter, vocalist, and the Sequela Trio, radio artists.

C. D. Hamilton, head of the Hamilton chain of hotels, welcomed the guests to the new hotel. Short talks were made by Mayor W. W. Scott, H. A. Johnston, secretary of the Richmond Community Hotel association, Frank Boyd, president of the Berkeley Lions club and William Streil, former international president.

Following the luncheon, the members and their guests were taken on a tour of inspection of the new hotel. Praise was given to Hamilton for the service and menu of the luncheon.

## San Pablo to Vote on Fire District July 30

July 30 has been the date set by the county board of supervisors for an election to let the people of San Pablo vote on the proposal to form a fire district in that section. The election officials named, are as follows:

Frank M. Silva, inspector; Fred Weber, clerk; George V. McCausland, judge.

Mr. and Mrs. Ray Larabee and Mr. and Mrs. W. L. Larabee and daughter, Alma, have returned from a motor trip to Portland and Pendleton, Oregon.

## Belasco Funeral Rites Pending

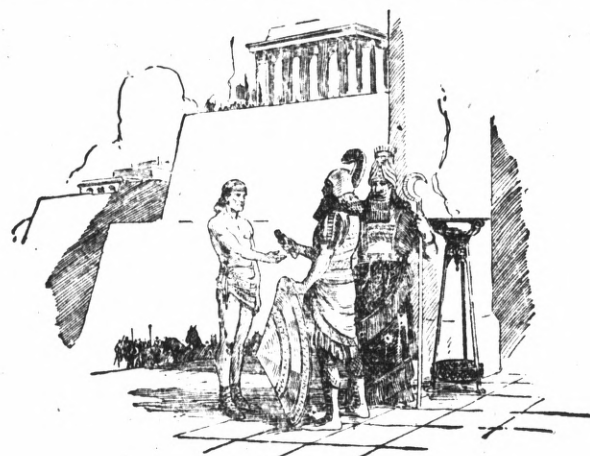

The remains of Pedro Belasco, who died at a local hospital on July 1 are still being held by the Bert Curry parlors pending word from relatives. Belasco, who was an employee of the Selby smelter, was the victim of pneumonia.

## Auto-train Victim Steadily Improving

Rev. A. H. Wessling, pastor of a Lodi Lutheran church who sustained serious injuries when the automobile in which he was riding was struck by a train last Saturday night, is steadily improving, according to word from the Cottage hospital where he is confined.

**BARRYS HAVE DAUGHTER**  
Assistant Fire Chief and Mrs. J. J. Barry, 1625 Clinton avenue are the parents of a girl baby born on Monday at a San Francisco hospital. The child has been named Lois Irene Barry. Both mother and daughter are reported to be doing nicely.

Mrs. Mae Ledebur, 320 First street, has as her guest, Mrs. Jessie Colwell of Cordelia.

## Readiness

ALL over the then-known world the runners and mounted messengers of ancient Assyria bore the decrees and edicts of their rulers. Trained for fleetness and endurance, these message bearers of a vanished empire stood at their posts, stripped for the task, prepared for instant dispatch of whatever was given them to speed to distant points.

The universal message bearer now is the telephone. Its nationwide range has come about through a far-flung system of wires, cables, switchboards and supplementary apparatus. Through the cooperation of a vast army of men and women it daily transmits the thoughts and desires of millions.

It is because of unceasing inspection, watchfulness, coordination and all else that makes for instant readiness that Americans today, anywhere, can talk to one another, any time.

The United States Government tells us that proven statistics show that of each 100 men passing the age of 25, 36 are dead before they reach 65 and that of the other 64—

- 1 will be wealthy
- 4 will have incomes
- 5 will have some earning power.
- 54 will be dependent upon some relative or upon charity.

Out of every 64 men reaching the age of 65, 54 are dependent! It is not reasonable to assume that any large percentage of them lived lives of reckless abandon or profligacy; there seems, rather, to be an intimation that disability or some other misfortune interfered with their well-laid plans.

## Assessments Show Growth of Richmond

(Continued from Page 1)

Assessor Ford is as follows:	
Real estate	\$11,397,300
Improvements	10,399,610
Personal property	5,994,255
Money and solvent credits	2,915
Total	\$27,794,080

The assessment for last year was:	
Real estate	\$11,249,870
Improvements	10,120,600
Personal property	6,052,615
Money and solvent credits	3,805
Total	\$27,426,890

The decrease in the valuation of personal property is due largely to the evacuation of Winehaven by the California Wine association and the removal of the thousands of gallons of valuable wines from the tanks there.

The figures for the other cities in the county are as follows:

El Cerrito	\$1,563,420
Antioch	1,209,530
Concord	450,155
Martinez	3,582,270
Pineole	208,190
Hercules	970,710
Pittsburg	2,165,085
Walnut Creek	105,175

A total valuation of \$101,531,572 is the valuation of public service corporations and railroads which are taxed by the state alone. Of this amount, \$7,782,132 is the assessed valuation of the railroads and \$3,243,965 of the public service corporations.

Not included in the totals are the veterans tax exemption which amounts to \$1,061,010.

## FUNDS TRANSFERRED

The city council last night authorized the transferring of money from the general fund to the street improvement fund to take care of bonds under the Improvement Act of 1915. The amount of money involved is \$6,658.15.

Attorney and Mrs. W. S. Pierce, are expected to return tomorrow from their honeymoon spent in the northwest. They will live at the new Carquinez hotel.

## Sportographs

**OAKS**  
The Oaks had a good week against the Seals, but for the first time in three weeks they split a double-header. They lost the afternoon game on Sunday and the morning game on Monday. Shinn's loss was a bad blow to the Oaks for the Oakland team is sadly in need of a good third baseman, but according to the latest reports, Shinn's will be on hand when the Oaks and Angles tangle at Oakland next week. In the meantime what will the Oaks and Senators do?

**CREWS**  
The Navy and Yale are planning to hold a race some time in the near future to settle the dispute as to which is the better crew. In all probabilities the two crews will not race over a distance of two miles. The event should draw the attention of the whole country.

**RACING**  
Earl Cooper, of Los Angeles, won the Independence Day race at Salem, New Hampshire on Monday. Cooper won his victory after leading the leaders for 130 laps in the 200 mile race. His victory netted him \$8000 in cash and prizes.

**BOXING**  
The promoters of the Callahan-Silver bout in San Francisco were disappointed on Monday. They had figured that their fight would draw at least 15,000 people but because of the fog that enveloped Ewing Field and the fact that most of the people were out on their trip over the holidays, just 7559 were present. In spite of the money paid the fighters, it is thought that the promoters cleaned up a good profit.

## Humane Society Submits Report

Twenty-seven calls were made by the Humane society during the month of June according to the report presented to the city council last night by Tsar N. Calfee. Number of adults involved amounted to nine; children totalled 17 and animals numbered 63.

There were seven animals cruelly treated and eight humanely destroyed. There were no expenses.

## Residents of Annex Protest Annexation Vote

A protest against an election for the purpose of annexing the Richmond Annex to Richmond was received by the city council last night. The protest was signed by 42 residents of the district.

Inasmuch as the city has not as yet received the petition for the election, the council is unable to take any action on the protest, which was filed.

Mr. and Mrs. Frank Lite of 647 Seventeenth street, left yesterday morning by auto for Hilton, where they will spend a two weeks vacation.

## Fireman Nine Beats the Sons

The Richmond Firemen took another game on Sunday and this time the Castro Parlor of Native Sons of San Francisco, were the victims. The final score stood 8 to 2, making seven wins out of eight games.

Kamb and Lavenne ormed the battery. Kamb struck out nine men and allowed but six scattered hits. Jiggs Wright, who generally takes the mound switched around with Kamb and took the initial sack instead. In six games with the local red shirt men, Jiggs struck out on an average of 17 men each game.

Pera and Murphy formed the battery for the San Francisco team. Pera walked four men and fanned six.

Moore, for the local team came smashing through with a double, the biggest hit of the day.

**GARAGE PERMIT**  
C. C. Collins was last night granted a special permit by the city council to build a garage on the east side of Crest avenue near the Santa Fe right of way. Because of the hilly nature of the property Collins requested that he be allowed to build the garage fronting on the property line.

## Death Sentence on Old Barn May Stick This Time

It looks as though the city council has at last found a way of removing that "Fourth Street barn." No one has ever been able to prove that the barn had deteriorated the forty per cent required by the ordinance. But the ordinance has another clause that will in all probability do the work.

According to this clause when any building is in a condition that it is dangerous to persons or property, the city council has the right to order the building removed within thirty days of notifying the owner.

Fire Chief W. P. Cooper in speaking of the fire hazard and the danger of the building to both persons and property stated that since no member of the council has ever doubted these hazards in the structure he would like to see them take the steps to have the barn removed.

"If we get rid of this building, there are at least twenty-five more in the city that can also be removed," declared Fire Chief Cooper.

The council referred the matter to the fire chief and to City Building Inspector A. J. Hurley and stated that if the investigation warrants, they would like to see all of the dilapidated structures in the city removed to decrease fire hazards.

## New Hospital for Klamath Indians

(By Universal Service)  
WASHINGTON, July 6.—Construction of a new hospital for the Indians on the Klamath reservation at Klamath, Ore., has been begun and will be rushed to completion, the Interior Department announced today.

The hospital will cost \$25,000 and have a capacity for fifty patients. There are 1,241 Indians on the reservation.

Plans for an addition to the Indian hospital on the Fort Peck reservation in Montana also have been completed.

## Petitions For Paving of 28th To be Circulated

Concerning the recent protests against the paving improvements for the Twenty-eighth street district, Mrs. A. B. Larkin appeared before the city council last night and declared that there was no foundation for the statements in the protest insinuating that promoters had been busy in circulating the first petition for the improvement. She stated that she alone had circulated the petition and that she did it with the intention of bettering conditions in the neighborhood.

She stated that another petition is to be circulated by residents in the district requesting the improvements abandoned by decision of the city council at the last meeting and asked the council to consider the petition carefully when it was presented to them.

## Mechanics Lead in Pennant Race

With Father Time ready to pull down the curtains on the Standard Oil Twilight league play in a month, the Mechanics seem to have the pennant tied up this year. The Refinery is making a hot fight for the rag and this weeks games may be deciding factors.

## Plumbing Report For Fiscal Year Given to Council

According to the report of City Plumbing Inspector C. S. Ford, for the fiscal year ending June 30 there were 659 plumbing permits issued during the year. Fees collected amounted to \$733.50.

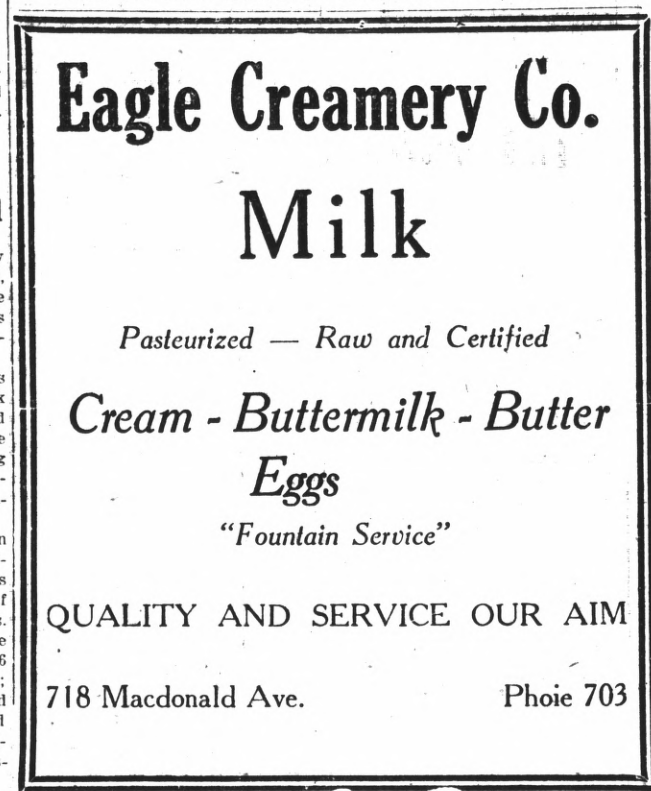

Of the total number of permits issued, 514 were for new work and 65 for old work. Finished work amounted to 271. There were 42 houses inspected for plumbing of which number 14 were condemned. Sewer inspections amounted to 620.

There were 14 journeymen plumbers examinations and 11 licenses granted. Master plumbers examinations amounted to 7 of which number 6 received licenses. Plumbing inspections during the month of June amounted to 66 of which 26 were for new work; 6 for old and 34 for finished work. Four houses were inspected for plumbing and two were condemned. There were 27 permits issued.

no doubt about it, P. A. is great makin's

THE instant you open a tidy red tin or a toppy red bag of Prince Albert and get a whiff of that real tobacco, you know you are in for some grand cigarette-sessions. Yes, indeed. You take out a makin's paper and proceed to roll a cigarette that's a sure-fire winner.

Because P. A. is crimp-cut and doesn't flutter all around, it rolls easier. It burns better for the same reason. And then the big thrill... that glorious taste! No other home-rolled cigarette can hold a candle to that. Cool. Sweet. Fragrant. Every inch a smoke!

Morning to midnight, you'll roll 'em and smoke 'em. Because every wonderful puff invites another. Your taste just never wearies of this mild, mellow tobacco—good old P. A. Try this better cigarette tobacco today. It will be a smoke-experience, for a fact.

If you have a pipe and want to see how much pleasure it can deliver, tamp a load of Prince Albert into the bowl. Men who thought they were all set on a smoke-program have followed this formula and have become converts overnight. No other tobacco is like this, Men.

**PRINCE ALBERT**

—no other tobacco is like it!

## Twenty-one Are Given Paddings

(By Universal Service)  
TAYLORVILLE, July 6.—Twenty-one men and young men were given an old-fashioned paddling today, because they failed to obey orders of a policeman last night and desist from shooting fireworks. The officers warned the "culprits" but they continued to celebrate. They herded all of them into the county jail. They were paddled and released one at a time. No charges were preferred against them.

### MRS. SCHWARTZ ILL

## TO OBSERVE MT. LASSEN

WASHINGTON, July 6.—(By Universal Service.)—Continuous observation will be made of the volcanic action in Lassen National Park in California, the Interior Department announced today. Dr. Thomas A. Jaggar of the geological survey, volcanologist in charge of the station at Kilauea in Hawaii, will have charge of the study and will make a comparison of volcanic activities in relation to earthquake tremors. The Lassen National Park contains the only active volcano in the United States. Observation of the volcano was made possible through an increased appropriation by Congress.

## Byrd and Bennett, Pole Flyers, Arriving in New York, Which Gives Them Hero's Welcome

New York City gave one of its greatest welcomes to Lieut. Commander Richard E. Byrd, the first man to fly over the North Pole, and to Aviation Pilot Floyd O. Bennett, U. S. N. Senators and Congressmen, high officers of the Army and Navy, scientists and prominent New Yorkers went down the bay on the municipal steamer Macon to congratulate the young American naval officers. This photograph shows Bennett (at left) and Byrd on board the Macon, waving their greetings as the steamer approached the Battery.

## ANDREWS HAS CHANGED MIND ON QUITTING

(By Universal Service)  
WASHINGTON, July 6.—Warned by the administration that his retirement would seriously threaten disruption of the Government's entire program of prohibition enforcement, General Lincoln C. Andrews today temporarily pigeonholed his resignation as commander-in-chief of the nation's dry forces.

Andrews announced that he will remain at his post until next fall, at least. Should he retire then it will only be after the largest dry army in history, and the co-operation of foreign governments, have been enlisted in a supreme test of the nation's power to make prohibition effective.

Before leaving for New York tonight, enroute to England to negotiate added international agreements to smash rum smuggling, Andrews said:

"I am considering resigning. But I have not reached a final decision to resign. I shall not make a decision before fall. There is a large appropriation available now for building up a larger prohibition force, which will mean recruiting about 900 more men, and this must be done before I could think of retiring."

This statement was made after President Coolidge had told callers that Andrews would remain at his post. The President had talked over the telephone with Secretary of the Treasury Mellon, who earlier in the day had a lengthy conference with Andrews and Commissioner of Internal Revenue D. H. Blair.

In fighting mood, just before leaving, he announced the filing of vacancies in the service and broadcast to his administrators a demand for appointment of high grade men on the new special squads, to insure "clean-cut, decent, efficient, courteous conduct in office under all circumstances." The appointments announced were:

Lieutenant-Commander John D. Pennington, U. S. Navy (retired), as western Pennsylvania administrator, succeeding Edgar R. Ray, who in resigning denounced the eighteenth amendment as a "swindle." Pennington is 45, a native of Newark, N. J., and left the navy last September, after 29 years' service.

Vincent Simonton, of Virginia, as chief prohibition investigator, replacing Major Walton A. Green, who quit to enter private business. Simonton has been special counsel in investigating work which is aimed chiefly at coast and border smuggling.

Andrew also expressed more confidence of passage by Congress in December of his new enforcement legislation, turned down at the last session.

## First Guest is Registered at Hotel Carquinez

The new Hotel Carquinez is now open to receive guests. Yesterday morning F. A. Reynolds of the Mercantile Trust company, signed the register and secured the distinction of becoming the first guest.

James E. Strong, who came from Los Angeles, to manage the new Richmond hotel, has completed all plans for the organization. The formal opening of the hotel will take place soon. It is probable that there will be two formal dinners because of the number of Richmond residents who are making reservations.

Numerous visitors inspected the new hotel yesterday and spoke with praise of the dining room, coffee, shops and lobby.

The hotel will serve a sixty-cent lunch in the dining room daily and a fifty-cent lunch in the coffee shop. A dollar dinner room every night from 5:30 to 8 o'clock.

## POLICE GUARD CONFERENCE AT NARCOTIC MEET

(By Universal Service)  
PHILADELPHIA, (Pa.) July 6.—A cordon of special police today was thrown around the eleven-room of the Bellevue Stratford hotel to guard against suspected spies of an international dope ring here to check on the deliberations of the first world conference of narcotics education.

The activities of the suspects have become so open that Captain Richard Hobson, general secretary of the International Narcotic Education Association, who called the conference, issued orders to exclude all from the sessions of the conference and of special committees who do not have delegates' badges and are not known to be duly accredited in the conference.

Reports were prevalent today that the dope rings have raised a war chest to combat the work of the conference. Strangers have wandered into committee rooms and attempted to dissent from the deliberations and to prevent their orderly procedure. As a result of the activities of these suspects the Philadelphia branch of the Federal Narcotic Bureau has assigned a number of special agents to watch the men and special agents have been ordered here from Washington.

The session of the conference swung into action today after a number of preliminary meetings yesterday. The plan of action is to formulate a plan for world-wide education on the evils and effects of the use of narcotic drugs. There are 250 delegates in attendance representing 51 governments of the world.

Sara Graham-Mulhall, president of the Narcotic Drug Control League of New York City, said big progress was made in solving the world problems when the Chinese government determined to banish the poppy plant within ten years, and India promised to stop exporting opium by 1933, she said.
